

FORCE80

SeaSerpent with JETRANGE Tip

ANTI-PIRATE WATER CANNON
SYSTEM FOR NON-LETHAL DEFENSE
AT SEA

- Force 80 heavy duty industrial robotic nozzle
- JETRANGE 80 tip
- Rail / side mounting pipe stand with integrated valve and actuator
- Interchangeable flow discs
- Stainless steel 316L pipe and worm gears
- Industrial robotic brushless DC motors (BLDC)
- Laser-welded IP68 motor enclosures
- M12 fully sealed IP67 multi-connectors
- Position feedback accuracy better than 1/100°
- Over 360° Horizontal Movement (set any range by software)
- Over 180° Vertical Movement (set any range by software)
- Virtually maintenance-free Max Flow: 5000 lpm @ 10 bars (1320 US gallons @ 145 psi; 300 m3/hr)
- Max Reach: 85 meters

| Part Number(s): | Price each (SEK) |
|---------------------------|------------------|
| FORCE80-BLDC | 66,300 |
| JR80 | 7,250 |
| X-TARGA3 | 30,500 |
| FOR00207 | 12,800 |
| SD15 (Ball Valve 316L) | 11,250 |
| ACT24 (Actuator BLDC) | 15,400 |
| MP80 (Mounting Pipe) | 7,500 |
| Motor & Joystick Cables | 1,800 |
| FOR00150 | 1,250 |
| Total Price (SEK): | 154,050 |
